Demand Smart. Deliver Better.

ITSWS Dairy: Sell More, Earn More

Power your business with smart technology

ITSWS Dairy empowers you with a complete digital ecosystem to manage customers, handle on-demand orders with accuracy, and grow your distribution network seamlessly.

- Order Booking & Processing
- Inventory, Product & Pricing Control
- C&F Operations Web Portal
- Scheme & Promotion Management
- Customer Ordering Portal & Mobile App

Empowering dairy businesses with smart demand management

ITSWS Dairy enables you to efficiently manage customers, streamline order processing, and gain complete control over your distribution network, all from one powerful platform.

ITSWS Dairy is a product of **ITSWS Technologies Pvt. Ltd.**, a company dedicated to building scalable, innovative, and business-focused software solutions across industries.

ITSWS Technologies Pvt. Ltd. is a leading software and web development company in India, delivering scalable solutions across web development, mobile application development, payroll systems, CRM, ERP, HRM, and digital marketing to help businesses grow and stay competitive.

ITSWS Dairy is a comprehensive demand management solution designed to simplify and optimize dairy business operations. It empowers businesses with a powerful online ordering portal and customer demand mobile app, enabling quick, convenient, and hassle-free order placement anywhere.

The software also streamlines operations through efficient C&F and distributor management, ensuring smooth coordination across the entire distribution network. Advanced features like schemes, coupons, and pricing control allow businesses to drive customer loyalty while maintaining healthy margins.

Voices of our customers

Built on Trust. Backed by Results.

> Our online business portal designed and developed by ITSWS Technologies, they provide me best look site with responsive support. We at, Agrawal Packers Movers avail the website various service from ITSWS, with excellent team response and support. They are excellent and always willing to go the extra mile support, never compromise on quality, and patiently guide and educate every user. Great support by the organization.

RV **Mr. Ram Kumar, Digital Strategist**
Agarwal Packers & Movers Ltd

> Despite several complexities during the initial phase of the project, The team at ITSWS was always very accommodating to our requests and active in their replies. They were flexible and took initiative to suggest better designs for us and felt part of our team. Our website is finally something we can be proud of, thanks to ITSWS!

RV **Roy, Founder & Managing Director**
Roys Fashion Limited, Bangkok

> ITSWS delivers reliable solutions backed by exceptional customer support. The solution is cost-effective, reliable, and well-suited for growing businesses. I would confidently recommend ITSWS to businesses looking for a dependable technology partner.

RV **Mr. Jai Prakash**
CMO of Ashoka Group (Alphabetz & TeaMax Cafe)
